

Welcome to Foundations!

First Day To-Dos:

- ❑ Phone off/silent mode
- ❑ Connect to the wifi:
 - cc_guest_5ghz // alwaysbekind
- ❑ Make sure you have accepted our invitation to **github.com/codechrysalis**
 - You won't be able to access the link below until you have received and accepted the invitation
- ❑ Go to:
monarch.codechrysalis.io/student/schedule

Thank you for taking this first step with us!

It takes a lot of bravery to start learning something new.

We are really happy that you have decided to make us a part of your new journey in software engineering.

COURSE GOALS

Course Goals

By the end of the course, we want you to be able to:

- Learn new things with guidance and on your own
- Use JavaScript to build logic, solve algorithm problems, and combine with HTML + CSS in creating basic web pages
- Use the tools and knowledge you have learned to proceed with your studies
- Be comfortable with being uncomfortable
- Make friends and create a supportive community

HOURS

Our Hours

- Tuesdays & Thursdays: 19:00 - 22:00
- Saturdays: 09:00 - 12:00 → 13:00 - 16:00

The door is open 30 minutes before class!

Late? Absent?

Please let us know on Slack!

Be On Time

- Being late to class means missing out on important lectures and information and disrupting the class
- Please arrive a few minutes early to settle in
- What does it mean to be on time?
 - Phones and bags put away
 - Working on the warm-up and ready to start

- expectations

SPACE RULES

Clean Up After Yourself

Always leave a place better than when you found it.

- sort your trash and put it in the correct bin. Follow the instructions above each bin.
- keep your space clean

No open containers (cups) on the tables!

- non-negotiable deal breaker
- expectations

HELP

Please use the #help channel during after-hours

Students who use the #help channel *always* do better than students who don't.

- Post questions that you have with the assignments, lessons, or homework
- Give help and advice to other people's questions - being a teacher helps you to solidify your own knowledge
- Don't be shy!

DEAL BREAKER

Deal Breaker: Discrimination

Any discriminatory or inappropriate language or actions are grounds for immediate dismissal.

EXPECTATIONS

EXPECTATIONS

We will learn
fundamentals first, then
a few fun projects.

EXPECTATIONS

This is an interactive class, so be ready to talk.

EXPECTATIONS

Respect yourself and each other.

EXPECTATIONS

Reading code is not the
same as writing code.

EXPECTATIONS

Writing code means
you'll be failing a lot.
Embrace it.

EXPECTATIONS

Don't share the curriculum.

We worked really hard on it.

EXPECTATIONS

Do the homework.

You are responsible for keeping yourself on track and validating the correctness of your code.

EXPECTATIONS

Open communication with staff.

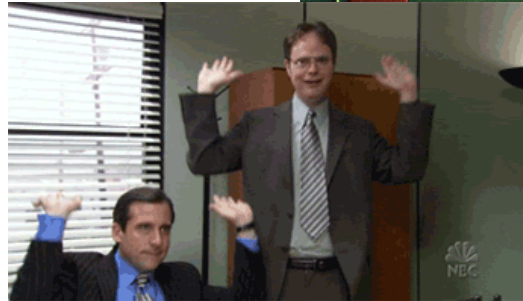

We can't read minds!

EXPECTATIONS

Authentically
celebrate everyone's
success.

Because we are all in this together.

So, any questions?
